

# The right side of history

A worthy manner: love

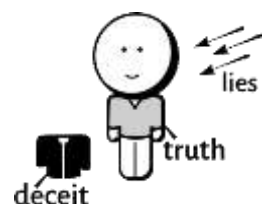

Ephesians 4:25–5:2

**The truths that produce love** (4:25–32)

**The greatest truth of all** (5:1–2)

The love that speaks volumes

## Questions for discussion and reflection:

What makes it hard to love? How does this passage help?

What does it mean to 'be imitators of God' (5:1)?

What might love look like practically this week? What is going to need to change in your thinking in order for you to start loving like that?
