

Eyes fixed, lives changed

Keep loving

Hebrews 13:1–4

Awesome worship = love for...

1. brothers v1

2. strangers v2

3. prisoners v3

4. persecuted v3

5. spouses v4

Questions for discussion and reflection:

1. How does the author's view of true worship challenge assumptions about worship?
 2. In what ways do these verses challenge you personally?
- Spend some time approaching God's 'throne of grace' (4:14) to recede mercy for past failings and grace to change.
