

Broken world. Bright hope!

This broken world and newness of life

Romans 6:1–14

Introduction

If forgiveness makes God look good—why don't Christians just keep on sinning?

1. ...because the Christian has died to sin

2. ...because the Christian now lives for Jesus

Appeal

Questions for discussion and reflection:

- How would you answer the question “if God’s going to forgive you anyway, and that makes God look good, why don’t you just keep on sinning?”
- Why is the Christian message such good news for the individual? ... and for the City?
