

# The world is not enough

Fools for Christ: what is Paul?

1 Corinthians 3:1–15

Introduction

1. Spiritual pride and the infantile attitude of some church members (v1–4)
2. Spiritual pride and a proper assessment of genuine gospel workers (v5–11)
3. Spiritual pride and the final recognition of all our labours (v12–15)

Conclusion

## **Question for discussion and reflection:**

- Why is 'boasting' in what church we attend, or whose preaching we prefer indicate spiritual immaturity? Where do you see it in today's church? How should we address it?
