

# A son in search of wisdom

Weariness, the word and wonder

Proverbs 30:1–33

Wisdom is beyond you

But

1. God's promise still stands (v5–6)

Proverbs 30:5 —> 2 Samuel 22:31 —> 2 Samuel 7

2. Sin is still a bad idea (v7–17)

3. Wisdom is clearly still out there (v18–31)

## Questions for discussion and reflection:

- What do you expect a life of wise choices to look like?
- Why is it important we learn to accept the limitations of wisdom in this world?
- How does this chapter change the way you might approach the proverbs?
