Daniel 5

A analysis of pride and it's consequences

1. v1–16 Pridefully abusing the vessels of God,...

2. v17–23shows a failure to learn the humbling lessons of God,...

3. v24–31 ...which leads to the just judgement of God.

Conclusion

Questions for discussion and reflection:

- What does Belshazzar's treatment of Daniel teach us about human pride?
- How do we see the patience of God in his dealings with Babylon?
- How does this chapter help us understand the world better? And keep going as we await the fulfilment of all God's promises?
